

DOUBLE JOY

CHRISTMAS is a time for giving and the Bribie RSL Club is sticking to that message.

In one of the district's bigger ever giveaways, the club will hand over two cars in December, just days before Christmas.

From October 14, club members have had the opportunity to enter into another exciting promotion to follow on the mid-year car promotion and last December's giveaway when two lucky members won a Hyundai Kona each.

The club's board and management received such positive feedback from the two-car promotion that the decision had been made to offer a similar promo to members this year.

"The response to last year's giveaway was incredible with two lucky members each winning a Hyundai Kona over two weeks," operations manager John Brittain said.

"This year we've chosen the exciting Next Generation Mazda 3. We're again pleased to be partnering with local dealer Grand Prix Mazda.

"The G20 Touring models worth over \$33,000 each have been selected for their high level of features and both cars have been on display in the

club foyer from mid-October."

Mr Brittain said the first car in Sonic Silver would be drawn at 4pm on Saturday, December 14.

"Members have been able to earn automatic entries in the first draw from October 14 with one entry being generated with every \$10 spent on food, beverage and Keno and every \$50 played on a gaming machine," he said.

"Once a lucky winner of the Sonic Silver Mazda 3 is drawn, all entries will be discarded and members will have just eight days to earn automatic entries in the second car in the stunning colour of Deep Crystal Blue.

"The second car will be drawn at 4pm on Sunday, December 22 from entries earned in just that eight-day period, which is sure to create excitement throughout the club."

As usual on the draw dates, there will also be 10 Christmas hampers worth \$250 each given away throughout the day.

Members will have to be present in the club at the draws to claim a prize and every member will receive

one free entry on the draw dates when they swipe their membership card at one of the three membership kiosks in the club.

A full list of Terms and Conditions of entry will be displayed in the club throughout the promotion.

Donation for Phoenix

THE Bribie RSL Club will donate all sales of Spin 'n' Win tickets on Saturday, December 14 to charities supporting Clubs Queensland's Operation Phoenix Queensland Bush Fires Appeal. Through Operation Phoenix, Clubs Queensland is uniting Queensland community clubs to

assist communities and families affected by the relentless bushfires that continue to ravage the state.

"We must support these devastated communities as they arise from the ashes, just like a phoenix, and rebuild their lives," said club operations manager John Brittain.

Spin 'n' Win prizes rise

FOR the first three Saturdays in December, the popular Spin 'n' Win raffles will be boosted from the usual 15 draws to 20 draws from 3pm on December 7, 14 and 21.

Club operations manager John Brittain said the number of prizes would be increased to include more toys and some great gift

ideas for your favourite person.

"So why not come down for Spin 'n' Win and a refreshing drink or lunch," he said.

"You might get lucky and be able to find that present for a special someone and avoid the Christmas shopping rush into the bargain."

ONCE again, our ever-popular Sunday meat raffles will feature 40 Christmas Hams in place of the usual bottles of wine and meat vouchers for the first four Sundays in December.

This year the hams have been selected by our executive chef Jeremy, and following a personal taste test, he says he's very confident that winners of this year's hams will be very happy indeed.

ROXANNE THE POLICE TRIBUTE

THE Police were one of the world's biggest rock bands of the 1980s.

With their iconic sound and unforgettable songs, six Grammys and 75 million record sales, bands don't come much bigger than this.

Roxanne are Robyn Payne on bass and vocals, Kelton Hallo on guitar and vocals and Rob Maizels on drums and vocals. There's some formidable talent here.

Originally performing together as a jazz rock fusion trio, they wanted to do something a little more commercial that still has a musical challenge and is just plain fun.

With their unique fiery mix of rock, punk, jazz and reggae, The Police were

the obvious choice. A good time is always had when these three outstanding musos grace the stage. Roxanne rocks!

Roxanne brings you all The Police hits and classic album tracks performed with the raw energy and skill deserving of this iconic band.

Among the Police hits Roxanne plays are Can't Stand Losing You, Every Little Thing She Does Is Magic, King of Pain, Message In A Bottle, Roxanne, So Lonely, Walking On The Moon, Driven To Tears, Hole In My Life, Invisible Sun, Next To You, Synchronicity I, Synchronicity II and Truth Hits Everybody.

Team claims runner-up tag

CONGRATULATIONS all 13 Bongaree bowlers having gained the status of runner-up in the men's division five 5 SEQ zone play-offs.

They won four of the five games (eight points with a margin plus 32) over the weekend last month.

The winner Beenleigh also won four of the five games, however had a higher margin of 63.

It was a compliment to be supported by our own Moreton Bay District staff Peter Goudge and Don Curry, who spent Saturday with Bongaree in support and several text messages

inquiring of our status, giving encouragement to the end of the five games.

The financial assistance to attend the games by Moreton District was much appreciated.

It was great to have the support of our attending Bongaree seven ladies cheer squad of Imelda, Christine, Judi, Val, Margaret, Lisa and Elna (pictured right).

The opposition often remarked on the wonderful display of encouragement shown by our ladies and Imelda doing the rounds of our three rinks over five games with fruit and sugar items as sustenance throughout the tournament. Lovely support girls.

Beginners Bash

THE Beginners Bash was held over two Sundays last month and was open to all bowlers of less than a year's duration.

Some very good competitive bowls was on show culminating in finals. The final was between Lisa Sandling and Tim Carlton with Tim taking the win. Well done, Tim.

SKILLS training will begin on Thursdays at 10am from December 5 for those bowlers wanting to work on their game.

CAROLS ON SONG

THE Bribie RSL Club once again is a gold sponsor of the Sandstone Point Community Carols on Saturday, December 14.

Carols convenor Heather Dawber said the club's ongoing support each year as a gold sponsor was a great benefit to the community event, which will be held as usual on the second Saturday in December. "Sandstone Point Community Carols was originally hosted by the Sandstone Point Community Association," Heather said.

"Three years ago the Lions Club of Sandstone Point came on board to assist

with running the event as a co-host. This event is now in its 12th year and is growing in popularity each year.

"The mission of the hosting organisations is to provide a free, fun and non-alcohol event for the whole community at Sandstone Point Oval.

"The event is run by the community for the community and starts at 4.30pm with plenty of free rides and entertainment for the children."

The Carols concert starts at approximately 6.30pm and this year will include combined voices from local singing groups.

Elegant Expo

THE recent wedding expo at Bribie RSL Club has been rated an outstanding success.

Club events manager Sam Thornton hosted the expo, which saw three reception rooms decorated for the day, each catering for different sized functions and needs.

Sam said dozens of couples and families attended over the four hours with a number of preferred club suppliers also on hand to answer queries.

"We have gained wedding bookings out of the day and all our exhibitors also were pleased with the reaction to their displays," she said.

"We had the Auditorium, Garden Room and part of the Social terrace all decked out in their finery and various stylings to help give couples some ideas."

Over two decades the RSL has built a reputation for holding seamless, stylish weddings and receptions.

The club's events department can cater for a range of receptions from a small intimate affair to one running to 200 guests.

Centaur tragedy recalled

ON May 14, 1943, the Australian Hospital Ship Centaur was sunk by a Japanese submarine, i-177, just south of Moreton Island off the Queensland coast.

Of the 332 people on board, only 64 survived the attack. AHS Centaur was travelling from Sydney to Cairns at the time of her sinking.

Centaur had been a cargo vessel built in 1924 and had been converted to a hospital ship only months before her sinking, which took place on only her third voyage as a hospital ship.

The vessel had a fully equipped operating theatre and dental surgery and could carry 252 patients. She was also clearly marked as a hospital ship.

Around her freshly painted white hull a thick green band ran, broken in several places by large red crosses. At night, the vessel was brightly illuminated by powerful spotlights.

Centaur kept her civilian crew, but her medical staff were all members of the Australian army. The men were from the Australian Army Medical Corps and the women were from the

Australian Army Nursing Service.

On her fatal third trip, Centaur was also carrying members of the 2/12th Field Ambulance.

It was shortly after 4am on May 14, 1943, while most people were asleep, that a torpedo struck Centaur's port side, hitting the oil fuel tank which ignited in a massive explosion.

The bridge superstructure collapsed and the funnel crashed on to the deck. Everything was covered with burning oil and a fire quickly began the roar across the ship. Water, meanwhile, rushed in through the gaping hole in her side.

The survivors were at sea for a day and half before they were rescued. The ship's crew and medical staff suffered heavily, as did the 2/12th Field Ambulance, with 178 men, from a total of 193, killed. Of the 12 nurses onboard, only one, Sister Ellen Savage, survived.

Gallant nurse

ALTHOUGH suffering from severe injuries herself, received as a result of the explosion and immersion in the sea, Nursing Sister Ellen Savage displayed great heroism.

She and some members of the ship's staff were floating on a raft, to which they clung for approximately 34 hours before being rescued by a US destroyer.

She gave conspicuous service while on the raft in attending to wounds and burns suffered by other survivors.

Her courage and fortitude did much to maintain the morale of her companions, particularly when sharks circled their raft and planes and ships passed by without seeing them.

For her "conspicuous gallantry", Sister Savage was awarded a George Medal.

Maureen turns 80

CONGRATULATIONS from the Bribie Island Women's Auxiliary to Maureen Donovan, who recently turned 80.

Maureen is a valued member of our auxiliary and one of our wonderful volunteers who gives her time weekly to run bingo.

Bingo is our main fundraiser and without this we would not be able to donate so much to charities on Bribie and surrounds. The Bingo volunteers wished Maureen well and provided this lovely cake.

The auxiliary recently had a morning tea in the park on the waterfront and those who attended had an enjoyable morning mixing with other members.

We sold poppies/badges etc. for the Sub Branch before Remembrance Day. Thank you to the ladies who gave their time to sell them.

We are now planning our Christmas Luncheon, which will be held on Monday, December 9 at the RSL Club on Bribie. Our entertainer on the day will be Robbie Rosenlund (ex-Wicketty Wak). Members contact Jan Wright on 0407 030 598 should you wish to attend.

Membership fees for 2020 are due at the December meeting and we would welcome new members. You do not have to be ex-service.

*Jan Wright,
Hon Secretary*

BRIBIE Women's Auxiliary ladies collected shampoos, perfume and hand creams and Vi Holt (left) and Irene Howarth (right) made up bags of these items and delivered them to the local police station for distribution to

the victims of domestic violence.

Thank you to all the ladies who brought them in and also to Dee Price for making the little bags.

Hon Secretary*

■ THE memorial plaque on the Centaur.

THE Centaur was found in December 2009. The wreck location is approximately 30 miles due east of the southern tip of Moreton Island at a depth of 2059m.

The hull of the Centaur appears to be in one piece. The wreck of the Centaur is listed as a war grave and is protected under the

Commonwealth's Historic Shipwrecks Act 1976.

A memorial plaque was placed on the Centaur's fore deck on January 12, 2010. The plaque has an encapsulated CD with the names of all personnel on board the ship at the time of the sinking.

■ **JOHN Casey** caught this flathead in extreme conditions at the Tweed.

A damp Tweed

THE Bribie Island RSL Social Fishing Club held its second saltwater weekend away for 2019 at the Hacienda Holiday Park at Chinderah on the Tweed River on the weekend of November 11-13.

A few couples went down a day early to go prospecting to see if they could find the fish for the upcoming competition followed by a lovely meal out on the Thursday night at the local hotel.

The rest of the members arrived and settled into their cabins on Friday afternoon.

The customary dinner at the Kingscliff Bowling Club never fails to please everyone and the complementary bus service makes the evening a lot safer for those members who like to enjoy themselves.

Great meals, good service and lots of raffle tickets were on offer throughout the evening although our members were not lucky enough to win any prizes.

A small armada of boats had made the trip down the Pacific Motorway to the Tweed but the weather on Saturday morning was only suitable for the brave at heart.

As a result, only three boats, Ron and John, Peter and Pam and Mike and Chris ventured out on to the river. All carrying the obligatory wet weather gear.

You have to remember that this is the Tweed and for the past few years we have been going there it has poured down every time.

Everyone else fished from the river bank so they could dash back to their cabins when the heavens opened up.

Not all of our members are fanatical fishos and some of the smarter ones went shopping instead. A cup of hot coffee and a sticky bun followed by a spending spree for valuable and attractive items to keep the Tweed economy going. The boys in the boats enjoyed a slightly overcast morning at first but it didn't take long for the weather to set in. The rain came down in buckets but our fanatical few continued to search for the elusive fish.

John and Ron eventually found some good fish with John landing a 2.5kg dusky flathead. Mike and Chris found a few bream but nothing to write home about.

After suffering the many downpours, a very wet Pam and Peter decided to head back to warm shower and dry clothes while Trevor Plant caught the biggest bream of the day from the banks of the river.

The weigh in was due at 4 o'clock but the event was brought forward after everyone had returned.

John Casey took out the honours with his oversize flathead, which was heavier than any other bag of fish weighed in.

Later that evening we all adjourned to the meeting room where Ony and Rosemary had organised a Chinese "nosh up". Presentations to the winners were made and a few stories were told over a few beers and glasses of wine.

■ **PRESIDENT Mark** with Jack Pipia, the Bribie winner from October 20, and runner-up Shane Shipton.

Nick blasts off

AS ALWAYS there was a good turnout on November 10 for a Bribie Island RSL Golf Club championship round.

The players were greeted for the fourth round by the best conditions a golfer could wish for, a fresh 18 deg start to the day and increasing to a maximum on 27 deg, clear blue skies and a moderate breeze to top it off.

Unfortunately, some of us couldn't manage to take advantage of this great Bribie Island course despite the playing conditions and were left with what was a great day in spite of the golf.

Nick Brunt wasn't one of these players, and when I saw the smile on the handicapper's face, I knew someone was in for a huge cut in their handicap. The nearest rival and runner-up was Jack Pipia, 10 shots behind.

Our ladies winner Karran Quinn shot very reasonable score and again showed her prowess in the ladies competition followed closely by Angie Naylor.

Men's winner Nick Brunt net 61, runner-up Jack Pipia 71. Ladies winner Karran Quinn net 74, runner-up Angie Naylor 77.

Men's putting winner Mark Hardy 27 putts, ladies putting winner Cathy Cooke 35 putts.

NTPs: Men's: 4th Bill Cooke, 7th Neil Twentymen, 16th Paul Hagger. Ladies: 4th and 16th Karran Quinn, 7th and 14th Cathy Cooke. NAGA Ernie Hall.

Although the main focus on October 20 was on the stableford game, everyone was intensely interested in the semi-finals of the single matchplay.

The stableford scores were pretty average,

especially as the conditions were exceptional, warm 26 degrees with a light easterly breeze. Enough to keep you cool but not enough to affect the shots too much.

Jack Pipia won the day with Shane Shipton pulling out all the stops to get the runner-up position and defeat Nick Brunt in the matchplay two up.

In the second matchplay, president Mark defeated Archie 3 & 2 in what was a very close game with both players taking the lead and losing it as we progressed through each hole.

Single stableford winner Jack Pipia 39 points, runner-up Shane Shipton 38.

NTPs: Men's: 2nd David Stebbing, 7th Ernie Hall, 11th Paul Hagger, 13th Trevor Quinn. Ladies: 2nd and 11th Jacqui Walker, 7th Karran Quinn. NAGA Craig Alexander.

It was inevitable that fewer members would attend the Redcliffe game on October 6 as it was a long weekend, school holidays and someone mentioned there was a football match on as well.

However, 16 players arrived at Redcliffe on a great day for golf on one of the nicest and challenging courses on the program.

The second round of the self-selected pairs saw the leaders from the first round once again blitzing the field with a great score.

Winners Kevin Hobbs and Neil Twentymen 46 points, runners-up Cathy Cooke and Bill Cooke 40.

NTPs: Men's: 2nd and 11th Mark Larsen, 13th Kevin Hobbs. Ladies: 2nd, 11th and 13th Cathy Cooke. NAGA Karren and Trevor Quinn.

Tight fours game

LAST month saw the last two Bribie Island RSL Indoor Bowls competitions for 2019 and there was some great bowls played by everyone involved.

First up was the open fours. This competition is open to all members and a total of six teams played out the preliminary rounds.

The final was a tight game but in the end the team of Patrick Kavanagh, Chris Gallagher, Val Davey and Ian Banham beat Jean Campbell, Lynda Carroll, George Har and Peter Robinson.

The final competition was the President's

Shield, where the winners of the men's fours and ladies fours played off against each other.

This was another tight final but after the 14 ends of play a victory was sealed by the men's team by 14-6.

The winners were Patrick Kavanagh, Ian Banham, George Hart and Peter Robinson. Commiserations to the ladies team of Annemarie Kofler, Mary Ross, Elaine Stewart and Lorraine McClear.

We now take a well-earned break in competitions before ramping up again for the 2020 year.

■ **PRESIDENT Mark** with November 10 men's winner Nick Brunt and ladies winner Karran Quinn.

■ **THE group** which enjoyed the three-day trip to Northern NSW.

A TOTAL of 47 Bribie Island Social Lawn Bowls Club members enjoyed a three-day trip to Northern NSW in October.

Games were played at Pottsville, Kingscliff and South Tweed Heads. All venues proved to be excellent. Accommodation was at The Mantra, which was very comfortable and provided a great breakfast.

On Sunday, November 17, 47 members enjoyed a trip to Palmwoods. The Chinese lunch was well received by all.

Lightning, thunder and heavy rain interrupted play but cleared within an hour to allow bowlers to resume the game.

The annual Christmas party will be held at the Bribie Island Bowls Club on Sunday December 1. Members are encouraged to attend the AGM on February 3 at 8.30am at the RSL. A new committee will be elected and the calendar of fixtures for 2020 will be available.

Bus tickets for the first bus trip will be available at this meeting.

HAPPY FACES

1. Gisela Rehberg and Ron Harris cool down with a drink at the club. 2. Christine Dolan and Cheryl Landman catch up at their favourite club. 3. Barbara Williams and Peter Boldery are cool and relaxed. 4. Sonny and Adrianna Letam in the kids area. 5. Angela Hinds and Nicole Boserio relax in the lounge. 6. Sue Wainscott and Anita Perrigo catch up with a coffee. 7. Bronwyn Maloney and Eric Blackman relax in the Social outdoor area.
