STAY FROTHY

BEER GOALS

ON TAP & IN HAND!

at the office, we pour a rotating range of frothy favourites & local legends. from crisp, easy-drinking lagers to full-bodied ales, refreshing pale ales & everything in between. Whether you're after something new on tap or sticking with your go-to in a stubby, there's always a reason to pull up a stool & clock in for a cold one.

our taps change regularly, keeping things fresh & exciting - perfect for those who like to mix up their after-work routine. pop up to the bar to check out what's pouring today, have a chat with the crew & discover your next favourite brew.

because here at the office, beer isn't just a drink - it's part of the work culture.
